Angel Whispers begins with a feathered brushing of bergamot, orange, and black pepper, which leads the way to an open powdery field of lavender and geranium, as well as fruity notes of Davana, caraway, and Osmanthus, Vanilla, Patchouli, and a delightful dash of chocolate. Oriental 2004

Monica Miller says: A fruity, floral “chouli”, YUM! Another delicious cheerful bouquet, this time more vanilla coming through, very foodie to me, like a bunch of flowers AND something to *lick* at the same time!
