**Entranced** Featuring the plum-raisin scent of Osmanthus who is joined by Jasmine and Neroli, this perfume opens with Cassie, bergamot, and petitgrain and softens to musky Ambrette, sandalwood, ambergris, and amber accord. A lovely musk perfume. Floral Oriental 2008

**Monica Miller says:** Ooooh! This definitely puts me in the mood for loooove! Another bright citrusy opening but definitely more musky sexual right from the get go! Mmmm, yeah, this is a sexy one. A lovely sparkling floral musky bouquet.
