

## [Fragrance Review: "Whole Notes" by Coeur d'Esprit Natural Perfume](#)

Filed under: [Perfume](#), [Fragrance Review](#), [Natural Perfume](#) — Christine at 7:40 pm on Sunday, July 22, 2007

Last Saturday night I attended a festive evening soiree and wanted to wear a suitably dressy fragrance. I chose "Whole Notes," a floral oriental perfume from Canadian perfumer **Lyn Ayre** of **Coeur d'Esprit Natural Perfume**.

**Whole Notes** has notes of: Bergamot, Linden Blossom, Pink Lotus, Mimosa, Black Currant Bud, Oud, Clary Sage absolute, and Labdanum.

This beautiful fragrance turned out to be the perfect choice.

**Whole Notes** is subtly elegant and does not overpower even on the sultriest of summer evenings. It opens with a light kiss of Linden Blossom and then deepens into the sweet, heady Mimosa and Pink Lotus notes. The woody, resinous labdanum pulls it together nicely, and contributes to a fairly long-lasting drydown (about 2 hours).

**Whole notes** is available online at [ScentofNature.net](http://ScentofNature.net).

**Cost:** 10 ml - \$37.50; 33 ml - \$65; 60 ml - \$110.
